FINANCIAL POLICY AGREEMENT/ ASSIGNMENT OF BENEFITS

Thank you for choosing Northeast Spine and Sports Medicine of Jackson/Pt. Pleasant/Barnegat as your health care provider. We are committed to providing excellent care to all of our patients and we will always do our best to achieve this goal, whether in the office or at the surgery center.

Northeast Spine and Sports Medicine are private professional entities and are *not* contracted with *any* insurance plans other than Medicare. Even though we do not participate in your insurance plan's provider network, we pledge to help you understand and manage the financial aspects associated with providing you the very best care and attention you deserve.

Most insurance plans allow patients to select their own treating physician even if the physician they prefer is not in their insurance plan's network. To help you understand your responsibilities, we will inquire as to your plan's out-of-network benefits, and explain what, and if any financial obligations you will have for our services.

Our independence is a hallmark trait of our practice. As an out-of-network provider, the course of treatment we provide will not be limited to what an insurance plan representative will approve, but will instead be solely upon the state-of-the-art care that your board certified physician recommends.

All charges will be submitted to your insurance carrier on behalf as an out-of-network provider. You may be responsible for your deductible and co-insurance on allowed payments up to your out-of-pocket maximum according to your out-of-network insurance policy. Most insurance plans allow reasonable and customary payment for our services in which case you will not receive any bills. In few cases however, a particular plan may not provide reasonable and customary payment in which case you may be responsible for some of the difference between what is billed and what your insurance plan allows for payment.

In addition, the Horizon Blue Cross Blue shield insurance company may send payment for our services directly to you. You agree to relinquish all payments that you receive from your insurance company for our services to Northeast Spine and Sports Medicine. Failure to do so will result in legal action.

By signing below, you attest that you completely understand and agree with our financial policy as described above for the services provided by Northeast Spine and Sports Medicine and its professionals.
